Consultation Event

St. John's CE Primary School,

Monday 19th June 2017

from 3:30-6pm

In November 2016 we held a public consultation meeting to view the buildings plans for the proposed development of our school site to increase from 1.5 to 2 forms of entry. The birth rate continues to increase and there are not enough places in the borough to accommodate the number of children living here. New schools will need to be built, or current sites enlarged to accommodate the children living in Bromley. St John's CE Primary has been identified as a school with potential to enlarge on the existing site.

We are holding a second consultation, before planning applications are made, on Monday 19th June 2017, from 3.30-6.00pm. You are invited to view the proposals for the scheme in the form of scaled drawings and to talk to the School, Council Officers and Consultant / Architects involved.
