Spring 1

English

This term we are continuing to use phonics to help children read and write and learning to use a capital letter and full stop. They will also learn to use adjectives that end in the suffix -y; to describe characters using adjectives and to predict story themes and ideas.

Maths 123

This term we are learning to recognise and know the value of different denominations of coins and notes; count to and across 100, forwards and backwards, beginning with 0 or 1, or from any given number; read, write and interpret mathematical statements involving addition (+), subtraction (-) and equals (=) signs; recognise and name common 2-D and 3-D shapes.

Science

Our topic this term is Everyday Materials.

Computing

We will be learning that information can be found on the internet.

Geography

Our topic this half term is Features of our Local Environment.

RE

Our theme this term is Creation. Who made the world? Children will think, talk and ask questions about living in an amazing world.

PE

All children must wear the school PE kit which has been provided and plain black plimsolls or trainers. There is a no jewellery rule and any stud ear-rings will have to be covered by plasters. Long hair should be tied back for health & safety and hygiene.

Indoor – Our indoor PE lesson is on Wednesday afternoon. This term we are doing gymnastics.

Outdoor – Our outdoor PE lesson is on Tuesday afternoon. Don't forget you can bring in plain, dark coloured track suit bottoms and a top to wear when it is cold outside.

Art/DT

The skills we are learning this term are around making different collages.

Music

The theme for music this term is singing.

Homework

Maths and Spelling homework will be sent out every Friday and is due back in on Wednesday. There will be a spellings test every Friday. Every child is expected to read at least 5 times a week and have their reading record signed & dated. Reading stages are now colour coded instead of numbers.

Water

Learning is thirsty work and in order to keep thinking throughout the day your child should bring a named plastic water bottle to school, which they can re-fill, to keep their brains hydrated.

Snacks

A piece of fruit is provided every day for your child.

Class events

Please ensure your child comes to school on time and every day.

Concerns

Please see me any day after school or you can make an appointment at the office.

Mrs Crampsie
